An expanded Evacuation Alert has been issued by the Peace River Regional District at the Emergency Operations Centre (EOC). BC Wildfire Service has recommended an expanded evacuation alert as a result of the Donnie Creek Wildfire (G80220).

Because of the potential danger to life and health, the Peace River Regional District has issued an **Evacuation Alert** for the following areas:

- North of 24 km on Tommy Lakes Road,
- East of Highway 97 from Mile 120 to Trutch
- Including all areas within 20 km of the Donnie Creek Evacuation Order Area.

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Industry and other area users should be prepared to shut down operations and evacuate the area immediately.
- Refer to your emergency operational plan and risk assessment for a wildfire evacuation.
- Locate all staff and contractors and ensure they are aware of evacuation plan should an Evacuation Order be called.
