

PEACE RIVER REGIONAL DISTRICT
DEVELOPMENT SERVICES
ZONING AMENDMENT REPORT
BYLAW No. 2341, 2018
1st and 2nd Reading

OWNER: Andreas Lass Date: October 26, 2018
AREA: Electoral Area B
LEGAL: Block A (PID: 016-050-479) & Block B (PID: 029-510-741), District Lot 2135, Peace River Land District
LOT SIZE: Block A: 2.13 ha (5.26 acres); Block B: 2.13 ha (5.26 acres); Total: 4.26 ha (10.53 acres)
LOCATION: Highway 97 North, approximately 210 metres east of Wonowon Subdivision Road

Proposal:

To amend the zoning of the subject properties under PRRD Zoning Bylaw No. 1000, 1996 from R-2 (Residential 2 Zone) to I-1 (Light Industrial Zone) in order to construct a shop and operate a trucking business from the site.

Recommendation [All Directors – Corporate Unweighted]

1. THAT the Regional Board read Zoning Amendment Bylaw No. 2341, 2018 for a First and Second time.
2. THAT a public hearing be held pursuant to the *Local Government Act*;
3. THAT the holding of the public hearing be delegated to the Director of Electoral Area B.

ALTERNATIVE OPTIONS:

OPTION 1: THAT the Regional Board read Zoning Amendment Bylaw No. 2341, 2018 for a First and Second time; that the holding of a public hearing be waived pursuant to s.464(2) of the *Local Government Act*, and that notification be issued pursuant to s. 467 of the *Local Government Act*.

THAT the holding of a public hearing be waived pursuant to s.464(2) of the *Local Government Act*, and authorize performance of public notification pursuant to s. 467 of the *Local Government Act*.

OPTION 2: THAT the Regional Board refuse the application as submitted.

SITE CONTEXT

The subject properties are located in Wonowon, north of Highway 97, approximately 210 metres east of Wonowon Subdivision Road. The properties are undeveloped treed land with Crown land to the north and west. The land across the highway to the south is zoned Highway Commercial. To the east is the Wonowon Lodge open camp. The subject properties are approximately 450 metres directly northeast of Wonowon Elementary School and a residential area.

SITE FEATURES

- LAND:** The subject properties slope away from Highway 97 to the north and west. The properties are treed.
- STRUCTURES:** There are no structures on the subject properties.
- ACCESS:** The subject properties front onto Highway 97 N.
- CLI SOIL RATING:** The subject properties have a soil rating of 5c. Class 5 soils have very severe limitations that restrict their capability in producing perennial forage crops, and improvement practices are feasible. Subclass 'c' denotes a significant adverse climate for crop production.
- FIRE:** The subject properties are not covered by any fire protection area.

COMMENTS AND OBSERVATIONS

- APPLICANT:** The applicant intends to develop the subject properties for a trucking business and requires a zoning amendment to do so.
- ALR:** The subject properties are not within the ALR. The closest ALR land is approximately 10 km from the properties.
- OCP:** The subject properties are currently designated as RC (Rural Community) pursuant to PRRD Rural OCP Bylaw No. 1940, 2011. The proposed use is permitted within the RC designation. An OCP amendment is not required.
- ZONING:** The subject properties are zoned R-2 (Residential 2 Zone) pursuant to PRRD Zoning Bylaw No. 1000, 1996, wherein the minimum parcel size is 1.8 ha (4.5 acres). The R-2 zone does not permit the proposed use, therefore a zoning amendment to I-1 (Light Industrial Zone) is requested. The proposed use is permitted in the I-1 zone. Attached to this report for reference is an excerpt from Zoning Bylaw 1000, 1996 which lists all the uses that would be permitted on this property should it be rezoned to I-1.

IMPACT ANALYSIS

- CONTEXT:** The subject properties are located between other undeveloped parcels zoned for residential use. The remainder of the parcels north of Highway 97 are zoned either commercial or industrial. It is appropriate for a trucking operation to be located adjacent to a major highway corridor.
- POPULATION & TRAFFIC:** The subject properties are currently vacant. The proposed trucking business would increase traffic levels, including heavy truck traffic, accessing the properties. Access to the subject property is from Highway 97.
- SEWAGE:** The subject properties are not currently developed and would require a sewage system approved by Northern Health. The applicant indicated that they intend on developing a sewage lagoon.

COMMENTS RECEIVED FROM MUNICIPALITIES AND PROVINCIAL AGENCIES

- DISTRICT OF CHETWYND:** *No response received.*
- CITY OF DAWSON CREEK:** Interests unaffected.
- CITY OF FORT ST. JOHN:** Interests unaffected.

DISTRICT OF HUDSON'S HOPE: *No response received.*

VILLAGE OF POUCE COUPE: *No response received.*

DISTRICT OF TAYLOR: Interests unaffected.

DISTRICT OF TUMBLER RIDGE: *No response received.*

MoTI: *No response received.*

MIN. FLNRO *No response received*

OIL & GAS COMMISSION: Interests unaffected. Oil and gas permit holders with interests located in the vicinity of the proposed zoning changes have been contacted by the Commission as Emergency Response Plans may need updating.

NHA: Must follow Public Health Act, Drinking Water Act and its applicable regulations, Sewerage System Regulations as applicable.

Must not cause a health hazard.

Must have appropriate sewerage system installed and all the requirements met as applicable.
