

REPORT

To: Chair and Directors

Date: February 27, 2019

From: Danielle Patterson, Planning Intern

Subject: Zoning Amendment Bylaw No. 2361, 2019

RECOMMENDATION: *[Corporate Unweighted]*

THAT the Regional Board read Zoning Amendment Bylaw No. 2361, 2019 to rezone the property legally described as NE ¼ of S14 TP78 R17 W6M PR Except Plans A2035 & 32054 from 'A-2' (Large Agriculture Holdings Zone) to 'R-6' (Residential 6 Zone) on a 26.5 ha (65.6 ac) portion of the property and 'A-1' (Small Agriculture Holdings Zone) on a 34.2 ha (84.6 ac) portion of the property, for a first and second time; further, that a Public Hearing be held pursuant to the *Local Government Act* and that the Public Hearing be delegated to the Director of Electoral Area 'D'.

BACKGROUND/RATIONALE:

PROPOSAL: To rezone 26.5 ha (65.6 ac) portion of the subject property from 'A-2' (Large Agriculture Holdings Zone) to 'R-6' (Residential 6 Zone) and a 34.2 ha (84.6 ac) portion of the subject property from 'A-2' (Large Agriculture Holdings Zone) to 'A-1' (Small Agriculture Holdings Zone) as part of an ALC conditionally approved two (2) lot subdivision along a railway right-of-way [ALC Resolution #290/2018].

SITE DETAILS

OWNER: 4 Sam Ventures Ltd

AGENT: Not applicable

AREA: Electoral Area 'D'

PRRD FILE NUMBER: 18-335

LEGAL DESCRIPTION: Northeast 1/4 of Section 14 Township 78 Range 17 W6M Peace River except Plans A2035 & 32054

PID: 009-111-328

LOT SIZE: 60.75 ha (150.1 ac)

CIVIC ADDRESS: Not applicable

LOCATION: Arras

SITE CONTEXT: The subject property is located near Hwy 97 S, approximately 1 km from where Hwy 97 S meets East Arras Road. It is located in an area with ¼ sections used for haying and other crops and near the Arras rural community site, which has civic facilities and lots with areas varying from 1.8 ha (4.5 ac) to 8 ha (19.8 ac). The immediately surrounding land uses (and zones) are as follows:

- North: Agriculture and Rural Residential (zoned A-2)
- South: Agriculture and Rural Residential (zoned R-6)
- East: Agriculture (zoned A-2)
- West: Agriculture (zoned A-2)

SITE FEATURES

LAND: The subject property is mostly hayed; however there is a large area of tree coverage on the westward side of the property. A railway right-of-way transects the subject property.

STRUCTURES: No existing structures.

ACCESS: 239 Road, north of Hwy 97S.

CLI SOIL RATING: The soil is predominately Class 5C with an approximately 3.5 ha area of Class 0. Class 5 soils have very severe limitations that restrict their capability in producing perennial forage crops, and improvement practices are feasible. Class 0 are organics not placed in a class (peat bogs, marsh, etc.). Subclass 'C' denotes the soil is effected by adverse climate.

FIRE: Within the Arras Fire Protection Area.

BUILDING INSPECTION AREA: Within the Voluntary Building Permit area.

COMMENTS AND OBSERVATIONS:

APPLICANT: The applicant wants a two (2) lot subdivision where the railway transects the property for estate planning, in order to leave one (1) lot each to two (2) adult children.

ALR: The subject property and the neighbouring properties are located in the ALR. The ALC has provided a conditional subdivision approval for the proposed two (2) lot subdivision along the railway right-of-way.

CURRENT OCP: The *PRRD South Peace Fringe Area Official Community Plan, No. 2048, 2012 (OCP)* designates 'Proposed Lot 1' as 'Low Density Residential' and 'Proposed Lot 2' as 'Agriculture'.

Within the 'Low Density Residential' designation, the principal uses of land will generally be limited to residential, home based business, agriculture, equestrian or kennel facilities, subject to zoning regulations [Policy 6.6.1(a)]. Parcels should have a minimum parcel size of 4 ha (10 ac) [Policy 6.6.1(b)]. 'Proposed Lot 1' plans are for either continued haying and/or future residential use and is 26.5 ha (65.6 ac) in area; therefore 'Proposed Lot 1' is consistent with the OCP.

Within the 'Agriculture' designation, permitted principal uses include agriculture and uses compatible with agriculture; businesses directly complementary to the agricultural industry; and temporary worker camps (subject to zoning and temporary use permit processes) [Policy 5.1.2]. The designation allows parcels smaller than 63 ha (155 ac) when the proposed parcel is separated from the remainder by a railway right-of-way [Policy 5.1.2(ii)]. 'Proposed Lot 2' is used for haying and the 34.2 ha (84.6 ac) parcel is separated by a railway right-of-way; therefore, 'Proposed Lot 2' is consistent with the OCP.

ZONING: Within *PRRD Zoning Bylaw No. 1343, 2001*, the proposed lots are zoned 'A-2' (Large Agricultural Holdings Zone). Within this zone, the permitted principal uses are agriculture; agriculture-intensive; agriculture-domestic; wood harvesting and forestry; mining, including gravel extraction and processing; asphalt plant; oil and gas wells, pipelines; production facilities; land treatment facility, non-commercial;

Kennel; equestrian facility; work camps occupied for less than six months, with less than 30 people; trapping, hunting, guiding, outfitting establishments; an airstrip; and dwelling units.

While the uses of 'Proposed Lot 1' and 'Proposed Lot 2' are consistent with zoning, the size of the proposed lots are not consistent with the minimum parcel size of 63 ha (155 ac); therefore, a zoning amendment is required.

Within the 'A-1' zone, the minimum parcel size is 15 ha (37 ac) and the permitted principal uses are agriculture; agriculture-intensive; agriculture-domestic; wood harvesting and forestry; mining, including gravel extraction and processing; asphalt plant; oil and gas well, pipelines; production facilities; land treatment facility, non-commercial; kennel; equestrian facility; and dwelling units [Section 32]. Within the 'R-6' zone, the minimum parcel size is 8 ha (20 ac) and the permitted principle uses are dwelling units; market garden; agriculture; kennel; and equestrian facility [Section 39]. The uses and sizes of 'Proposed Lot 1' and 'Proposed Lot 2' are consistent with the permitted uses and lot sizes of 'R-6' and 'A-1', respectively.

IMPACT ANALYSIS:

CONTEXT: The proposed rezoning along the railway right-of-way to 'A-1' (Proposed Lot 2, north of railway) and 'R-6' (Proposed Lot 1, south of railway) provides a transition between larger agricultural properties and the rural community boundary of Arras that is comprised of a mix of rural residential, smaller farms, and civic properties.

AGRICULTURE: The subdivision has been conditionally approved by ALC Resolution #290/2018. The proposed rezoning would allow the 60.75 ha (150.1 ac) to continue to be used for hay production. If rezoning and subdivision are both approved, any new permitted principles uses would have already been permitted under 'A-2' with the exception of a market garden in the 'R-6' zone [Sections 32, 33, and 39 of Zoning Bylaw 1343]; therefore, the effect on agriculture is likely to be minimal.

WATER & SEWER: The subject property has two (2) dugouts, one (1) on each proposed lot.

POPULATION & TRAFFIC: With the proposed rezoning and subsequent subdivision, the number of permitted dwellings, based on new ALC regulations, would be a maximum of one (1) dwelling per parcel. The proposal has the potential to increase local traffic by an average of 2.6 persons and two (2) additional vehicles [based on Stats Can 2016 census estimate for Electoral Area 'D' and two (2) vehicles per dwelling]. The size of 'Proposed Lot 1' would allow the applicant to make a future application to the ALC and Ministry of Transportation and Infrastructure for consideration of an additional two (2) lot subdivision.

COMMENTS RECEIVED FROM MUNICIPALITIES AND PROVINCIAL AGENCIES

ALTERNATIVE OPTIONS:

1. THAT the Regional Board read Zoning Amendment Bylaw No. 2361, 2019 to rezone the property legally described as NE ¼ of S 14 TP 78 R 17 W6M PR Except Plans A2035 & 32054 from ‘A-2’ (Large Agriculture Holdings Zone) to ‘R-6’ (Residential 6 Zone) on a 26.5 ha (65.6 ac) portion of the property and ‘A-1’ (Small Agriculture Holdings Zone) on a 34.2 ha (84.6 ac) portion of the property, for a first and second time; further, that the holding of a Public Hearing be waived pursuant to s. 464(2) of the *Local Government Act*, and public notification pursuant to s. 467 of the *Local Government Act* be authorized.
2. THAT the Regional Board refuse the application as submitted to rezone the property legally described as NE ¼ of S 14 TP 78 R 17 W6M PR Except Plans A2035 & 32054 from ‘A-2’ (Large Agriculture Holdings Zone) to ‘R-6’ (Residential 6 Zone) on a 26.5 ha (65.6 ac) portion of the property and ‘A-1’ (Small Agriculture Holdings Zone) on a 34.2 ha (84.6 ac) portion of the property.

RE: Zoning Bylaw Amendment No. 2361 for Northeast ¼ of Section 14 Township 78 Range 17 W6M Peace River except Plans A2035 & 32054

This letter is in regards to the Zoning Amendment Bylaw Application located at the above noted location in the Arras area. The intent of the application is to amend PRRD Zoning Bylaw No. 1343, 2001 by rezoning a 26.53 ha (65.55 ac) portion of the subject property from 'A-2' (Large Agriculture Holdings Zone) to 'R-6' (Residential 6 Zone) and a 34.22 ha (84.55 ac) portion of the subject property from 'A-2' (Small Agriculture Holdings Zone).

Based on the intended use of the application, **Northern Health has no objections** to the bylaw amendment, subject to the conditions below:

- As per the Public Health Act [SBC 2008] Ch. 28, the property owner must not create a health hazard.
- As per the Public Health Act [SBC 2008] Ch. 28, if the operator is required by regulation to have a licence or permit to engage in a regulated activity, the operator must obtain such licence or permit by submitting the appropriate application to the health officer prior to construction or operation of the regulated activity.
- As per the Public Health Act [SBC 2008] Ch. 28, an operator who engages in a regulated activity must comply with any requirement or duty set out in a regulation respecting the regulated activity.
- As per the Drinking Water Protection Act [SBC 2001] Ch. 9, the owner must not cause or allow contamination of a drinking water source, a well recharge zone, or an area adjacent to a drinking water source.

Please note that Northern Health's recommendation for approval of the zoning bylaw amendment does not guarantee approval at the time of subdivision. Northern Health assesses all subdivision applications referred in writing by an Approving Officer with the Ministry of Transportation and Infrastructure on the basis of current provincial health legislation and Northern Health policies and guidelines. The Approving Officer will only refer those subdivision applications that have lots sizes of less than 10 acres for Northern Health for evaluation. However, if the Approving Officer has a concern where the lots are 10 acres or larger, these may also be referred to Northern Health. Northern Health assesses each application based on the suitability of proposed lots, which are not serviced by a community sewage disposal system, for service by an on-site sewage disposal system.

Attention: Danielle Patterson, Planning Intern

The Ministry of Transportation and Infrastructure (MoTI) has received and reviewed your referral of January 10, 2019 to amend PRRD Zoning Bylaw No. 1343, 2001 by rezoning a 26.53 ha. (65.55 ac) portion of the subject property from 'A-2' (Large Agriculture Holdings Zone) to 'R-6' (Residential 6 Zone) and a 34.22 ha (84.55 ac) portion of the subject property from 'A-2' (Large Agriculture Holdings Zone) to 'A-1' (Small Agriculture Holdings Zone). The property falls within Section 52 of the Transportation Act and will require Ministry of Transportation and Infrastructure formal approval.

The Ministry has no objections to the proposal for the zoning bylaw. The Ministry has received and is currently reviewing the subdivision application for a two (2) lot subdivision under 2018-06057. The proposed layout as submitted is not guaranteed as it is dependent on review and approval by the Provincial Approving Officer.

Thank you for the opportunity to comment. If you or the applicant has any questions, please contact me at (250) 787-3335 or by email at Jennifer.Dyer@gov.bc.ca
