

PEACE RIVER REGIONAL DISTRICT EVACUATION ALERT

EVACUATION ALERT #3

Boundary Lake

Electoral Area B

May 7, 2023 at 17:30hrs

An expanded Evacuation Alert has been issued by the Peace River Regional District at the Emergency Operations Centre (EOC).

BC Wildfire Service has recommended an evacuation alert as a result of the Boundary Lake wildfire (G80220) and fire behaviour.

Evacuation Alert #3 replaces Evacuation Alert #2, and expands the previous Alert area to included areas that have been downgraded from an Order to an Alert. If you were previously only on Alert, you will remain on Alert at this time.

Because of the potential danger to life and health, the Peace River Regional District has issued an **Evacuation Alert** for the following areas:

- on the East to the Alberta Boarder to the north shore of Boundary Lake, to 5km east of the 211 Road to the 248 Road, to the east of the 213 Road from the Cecil lake road to Moose Creek Ave, and to the east of the Clayhurst Road from Moose Creek Ave to 1.2km north of the 240 Road, to the Alberta border.
- on the South 1.0km to the south of the 236 Road
- on the West 28.4km west if the Alberta border
- on the Southwest 18.4km west of Alces River.
- on the North 6.5km to the north of the 256 Road.

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents, cell phone & charger and, if time and space permits, keepsakes for quick departure.
- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.
- Prepare to take pets with you including pet care items (leash, carrier, food) and move livestock to a safe area (if possible).
- Arrange transportation for all your household members. Fill the gas tanks of personal vehicles. If transportation assistance is needed, call 250-784-3222.
- Arrange accommodation for all members of the residence, if possible.
- Wait for an Evacuation Order to be issued before evacuating. Monitor www.prrd.bc.ca and Emergency Info BC for information on evacuation orders and location of Reception Centres and hours of operation.

Further information will be issued at www.prrd.bc.ca or BC Wildfire at bcwildfire.ca for more information.
