I am an area B resident. I was born and raised on my parents grain farm, and now myself and my family live in the Cecil Lake area, where we have a small farm. I have worked most of my life in the oil & gas industry as a mechanic, and we also have oil & gas activity on our own farm land, so I am familiar with the challenges that we face. I am putting my name forward for this position as I have been the Area B alternate director for the past year, and have been the acting director since Jordan Kealy resigned. I believe some continuity in this position is key, and I have been very involved in the past year on the committees and societies that I currently serve on. I am just trying to ensure our area is represented by someone who lives and farms in the area, and want to ensure we are properly represented. Anyone is welcome to give me a call at any time to chat about this role, or about any other questions you may have.

Thank you,
Reid Graham
