As a resident of area B for more than 30 years, I am passionate about our region and its residents. Originally we ran a 100 cow dairy in Cecil Lake for 20 years, before converting to a grain and cattle operation in 2013. I believe that gives me first hand knowledge of the challenges and opportunities that our area faces.

Having been on the school board in SD60 for 6 years has also given me understanding of what it means to be part of local governance and policy making.

I am committed to hear and represent the local voices and advocate on their behalf. I want to help make decisions with the interest of the residents of area B at the centre.
